When the walls are down Ministry is Possible.

There are moments in each of our lives when our defenses are down, our hearts are open, and **GOD moves in us**. He calls us to Himself. He opens our eyes to HIS truth and we are **Changed**.

Expeditions Unlimited exists to help foster those moments. We seek to develop an atmosphere that nurtures teachable hearts and minds so that you can use the word of God to help your group grow in significant ways.

Take your group **away from the daily grind**, away from distractions, and into the outdoors. Hike through great woodlands, paddle canoes across crystal lakes and down beautiful rivers, guide your raft down roaring rapids, or climb the magnificent bluffs.

God's creation provides the perfect environment for adventure, fun, and real-life growth. Your group will be challenged both physically and spiritually. You will learn to serve and encourage each other. You will slow down enough to focus your hearts on the truth of God.

"Professional servants.
Our students love the
experiences. Our staff
loves the way they serve
us and free us to minister
to our students. Besides,
the food's great and
coffee on request!"

-Rob Yonan

Your Group is Unique!

Each group has its own **strengths**, their own **needs**, and their own **challenges**. You may be looking for a fresh, new experience, or you may just be starting to break the ice with students. Either way, your expedition will be an **experience you won't soon forget**.

We work alongside you to craft a trip or retreat that will effectively reach the members of your group, right where they are.

Wilderness Trips

Rock Climb/Rappel

Devil's Lake State Park in Wisconsin is one of the best places to climb in the Midwest. Experience the magnificent quartzite bluffs that overlook a 360-acre lake. Climbs range from beginner to advanced.

Wilderness Canoe/Portage

Spend 5 days in the deep wilderness of the Boundary Waters Canoe Area in Minnesota. Learn basic paddling, portaging, orienteering, wilderness and camping skills as you paddle and portage across multiple Lakes. Maximum Group Size: 8

Whitewater Rafting

The Wolf River's two waterfalls and six different sets of rapids will challenge individuals as they work together with one other person to guide their own raft through daring whitewater. Add in a rock-climbing adventure to this trip and stretch your group even further.

Canoe/Sandbar Camp

Venture out on the Wisconsin River where participants learn to work with a partner to paddle and steer their own canoe. Spend one to four days paddling and camping along the many islands and sandbars. An excellent way for your group to grow.

Fly-In/Wilderness Canoe

Make your way to Sioux Narrows in Northwest Ontario, Canada where you will climb aboard a float plan and head to the Expeditions Unlimited Canadian Outpost. Once there we will spend 5-7 days experiencing God's creation at a new level as you paddle across pristine lakes and view magnificent scenery. Maximum group Size: 12

Houseboat/Water Ski

Fun in the sun at Bull Shoals Lake in Arkansas! Your group will load up on houseboats (15 per boat max.) and head out for several days on the lake. Boats are equipped with kitchen, bathrooms, bunk beds, swim deck, and more. Students will get the chance each day to participate in small group bible study in the morning, cliff jump, snorkel, water ski, wakeboard, tubing, and even barefoot ski. Not to mention the large group teaching time and worship in the evening. The nightly sunsets are incredible!

Sea Kayak

Begin your time with a sea kayak safety and skills course then head out on to Lake Superior where you will paddle your single or double kayak through the Apostle Islands. The miles of sandstone cliffs riddled with sea caves is a magnificent sight.

Or talk to us about creating your own expedition!

One of the most important elements of Expeditions Unlimited is our staff. They make us who we are: a ministry. We look for Christian men and women who are continually growing in their walk with God. They must be individuals who have a heart of serving others and who love to spend time with students, sharing the love of GOD with them.

"The Expeditions Unlimited staff care very much for the students they serve. They do a great job building relationships with the students and they make a spiritual difference in their lives"

-Brian From

The people Who make it happen...

Each year our staff go through a 12-day guide training program. Their training includes three days of river rescue, three days of rock climbing and safety, multiple days of team building facilitation and high ropes training. We learn to work together and serve as a team with God at the center. They also pass several Expeditions Unlimited tests and are certified in Wilderness First Aid and CPR. Safety is a priority in our training.

In existence for over three decades, Expeditions Unlimited has a board of directors composed of people who serve behind the scenes and care deeply about the salvation of both students and adults. These people have helped to shape our ministry and they desire to see God use Expeditions Unlimited to further His kingdom. We also have a prayer base of more than 700 adults and young people who pray for each trip or retreat, asking God to work in the lives of the participants.

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the father through him. Colossians 3:17

"Working with Expeditions Unlimited in effect doubles my staff. The Expeditions Unlimited staff are passionate about Christ and ministry."
